## SNAP-Ed Trainings for NEOP Grantees & Partners

### December 2013

See the [NEOP Calendar of Events](#) for more information

2/05/2013

#### Worksite 101 Webinar

Dates: December 5, 10:00 am

During this live webinar, participants will learn the basics of the Worksite Program. Agenda: •Worksite Program Overview •How to Recruit and Qualify Sites •The California Fit Business Kit •PSE Opportunities • Q&A

**Audience:** Grant/contract staff & subcontractors **Registration:** <https://student.gototraining.com/r/6201631863660843776>

#### Activity Tracking Form Training Webinars

Dates: December 5,10,11,18

The Network has implemented a website to report the activities and events your organization and its subcontractors conduct during Federal Fiscal Year 2014. The website will replace the reporting tool used last fiscal year, the Excel-based Activity Tracking Form (ATF). **In order to obtain a user name and password to the online Activity Tracking Form (ATF) you must attend a training.** Please notify any staff or subcontractors who will be reporting activities so they can register for a training and obtain an account.

**Audience:** All SNAP-Ed Grantees & Contractors **Format:** Webinar **Registration:** [Multiple dates available here.](#)

#### Network Youth Engagement Training and Orientation

Dates: December 13, 2013

The Network for a Healthy California Children and Youth Team is convening Regional Youth Engagement Trainings for Network contractors and their subcontractors who will be coordinating Youth Engagement Projects throughout the state. This training will be offered in Northern, Central, and Southern California. Attendees will: Receive an introduction to Youth-Led Participatory Action Research; Engage with tools and activities that support authentic youth engagement and Initiate the process of creating a strategic plan for youth engagement in their communities.

**Audience:** Project Coordinators and Adult Allies **Format:** In Person

**Registration:** December 13 Riverside - <https://www.surveymonkey.com/s/121313YETTrainingReg>

#### NEOP Leaders on the Move – 2014 Cohort

Dates: - Application Deadline – December 12, 2013 Training #1 – January 23 & 24; 9am-4pm

NEOP Leaders on the Move (NLOM) offers a unique learning environment and practical strategies to support leaders working across the spectrum to create change. The cohort based program will engage 15-20 leaders from across LHDs funded by the CDPH NEOP Branch in a one year community engagement leadership training consisting of leadership assessment, leadership trainings, peer learning, webinars, technical assistance, and experiential learning.

**Eligibility:** NLOM is available for teams of 2-3 people currently working on obesity prevention activities funded by NEOP. Teams must include one LHD staff and 1-2 community residents, champion moms, and/or non-profit leaders who are committed to participating in activities throughout the year. LHDs and/or their community partners who are interested are encouraged to apply by clicking on this link: [http://www.connectccp.org/news\\_events/nlom\\_cohort\\_application.html](http://www.connectccp.org/news_events/nlom_cohort_application.html)

**Contact:** Sarah Newton, Program Coordinator, at (916) 498-6969 or [sarah@connectccp.org](mailto:sarah@connectccp.org)

#### CCLHDN - LHD Peer Exchange Program

Dates: By Request

The Peer Exchange program provides LHD nutrition staff an opportunity for to learn from one another through site visits organized around the specific needs of participants. Peer Exchanges can be organized at any LHD or as regional exchanges. **LHDs new to the Network are encouraged to participate.** Funding from the Network is available to support associated travel expenses within state guidelines.

**Contact:** Melody Steeples, [melody@can-act.net](mailto:melody@can-act.net)

---

## **County Nutrition Action Plan (CNAP) Support**

*Dates: Ongoing By Request*

LHDs have found it helpful to learn how other counties have approached CNAP development. CCLHDN staff are available to assist LHDs by connecting them with other counties that have CNAP development experience, assisting with developing CNAP meeting agendas, and facilitating CNAP meetings (Network travel funds permitting).

**Audience:** LHD Network Grantees

**Contact:** Melody Steeples, (530) 759-0875

---

## **CX3 Orientation Webinar**

*Date: January 13<sup>th</sup>, 10-11:30am*

**Audience:** Local Health Departments

**Registration:** <https://student.gototraining.com/r/5032002180645246208>

This introductory webinar for local health departments explains the importance of examining the food and physical activity environment in low-income neighborhoods. It provides background on the development of CX<sup>3</sup> and rationale for implementation. Presenters cover the design of the project, a conceptual flow and basic steps of the process, and teach LHDs how to select CX3 neighborhoods. Participants get a brief overview of upcoming trainings, the types of tools and methods used in the process and resources provided.

**Contact:** Lynn Fuhrman, [Lynn.Fuhrman@cdph.ca.gov](mailto:Lynn.Fuhrman@cdph.ca.gov)

---

## **CX3 GIS Mapping Training**

*Dates: January 27<sup>th</sup> (Sacramento), January 29<sup>th</sup> (Bakersfield)*

CX<sup>3</sup> participants use an on-line GIS map viewer to complete a series of CX<sup>3</sup> instruments/worksheets (supermarket access, transit to supermarkets, farmers' markets, fast food outlets, and markets around schools) to compile and interpret mapping data. This skill-building training is hands-on with lots of practice time. The training is intended for LHDs beginning the CX3 process in FY14. Other LHDs who have already completed GIS Mapping (aka: Tier 1) but would like a refresher or train new staff are welcome to attend, space permitting.

### **Prerequisites:**

- 1) Intro to GIS webinar (recording here: <https://student.gototraining.com/2c0f6/recording/6547387588199618048>) AND
- 2) CX3 Orientation webinar on Monday, January 13<sup>th</sup>

**Audience:** CX3 Project Staff

**Format:** In Person

**Registration:** Info will be provided during Orientation webinar.

**Contact:** Lynn Fuhrman, [Lynn.Fuhrman@cdph.ca.gov](mailto:Lynn.Fuhrman@cdph.ca.gov)

---

## **Fiscal and Administrative Orientations - On-Site**

*Dates: - [See Schedule](#)*

The Contract Compliance Monitoring Unit will train local health departments' staff and subcontractors fiscal and administrative requirements for the SNAP-Ed grant. The training is a comprehensive, fiscal orientation covering the United States Department of Agriculture and Network requirements and guidelines.

**Audience:** Grant/contract staff & subcontractors

**Format:** In Person

**Registration:** Prescheduled

---

## **LHD Program Training & Fundamentals – On-Site**

*Dates: [See Schedule](#)*

For new or seasoned LHD staff involved with program planning and management, this training includes information about the new role of the local lead agency, partnering, policy systems and environmental change processes, the Grant Agreement Scope of Work, new reporting requirements and more. If interested please fill out [this form](#) and return it to your Program Manager.

**Audience** New & Experienced LHD Grantees

**Format:** In Person

**Registration:** [Request Form](#)
